

**10th ILSI
BeSeTo Meeting**
September 13-14, 2018
The Howard Plaza Hotel Taipei

Mr. Leon Liu Qinxuan

Leon Liu Qinxuan is now Flavoring Product Compliance manager of IFF (International Flavorings & Fragrances Ltd.), in charge of regulatory affairs for North Asia, including Greater China, Japan, Korea, and SAARC countries (South Asia Association of Regional Cooperation). Leon was graduated from Nankai University with master degree in Chemistry, had 5-year experience as R&D scientist in pharmaceutical industry and more than 10-year experience in regulatory affairs in flavorings and fragrances industry. He is active in association activities in Asia, as vice president of CAFFCI (China Association of Fragrance, Flavor and Cosmetic Industry), member of technical committee for fragrance, flavor and cosmetic of China National Standardization Administration. He is also member of Regulatory Advisory and Advocacy Committee of IOFI (International Organization of the Flavor Industry), as regional regulatory affairs expert, working towards regulation harmonization for flavorings in Asia.
