

Ms. Yan Wen

Wen Yan had graduated from her Master degree in Food Science of Swedish University of Agricultural Sciences. She worked for China National Research Institute of Food & Fermentation Industries, in charge of food microbiological testing assigned by AQSIQ. Her career in food regulatory affairs started in Roche Vitamins (now as a part of DSM) with focus on food regulations and public nutrition. She joined Danisco China (now as DuPont Nutrition & Health) in 2002 and gradually developed China regulatory affairs team. She was the co-author for the chapter “Probiotics regulation in Asian Countries” of the book “Lactic Acid Bacteria – Microbiological and Functional Aspects, Fourth Edition”; and the book “Guideline for the Application of Nutrients and Functional Ingredients”. She is the chair of Ingredient Task Force of China Nutrition and Health Food Association (CNHFA) and a member of Food Safety Standard and Regulation Working Committee of China Food Industry Association (CNFIA).

文焱，畢業於瑞典農業大學食品科學系並獲碩士學位。她曾在中國食品發酵工業研究院工作，負責國家質檢總局委托的食品微生物檢測項目。她加入羅氏維生素（現屬帝斯曼公司）從事食品法規事務的工作，主要關注和推動食品和公眾營養方面的法規政策制訂。2002年加入丹尼斯克公司（現為杜邦營養與健康部），逐步建立了中國法規團隊。她是《乳酸菌-微生物和功能作用 第四版》中“亞洲國家益生菌法規”一章和《營養功能成分應用指南》的作者之一，現任中國營養保健食品協會原料工作組組長，以及中國食品工業協會食品安全標準法規工作委員會常務委員。
