Dr. Kristin Reimers is a registered dietitian and Director of Nutrition, Health & Wellness at Conagra Brands, where she leads the team efforts focused on nutrition science interfacing with product innovation, company-wide nutrition acumen, health professional outreach, corporate social responsibility, and food policy and regulations. She has been with Conagra for 12 years.

Prior to joining Conagra, Reimers was Director of Programs at The Center for Human Nutrition, Omaha, NE for 16 years, where she conducted nutrition research and developed programs in the areas of obesity, hydration, and sports nutrition.

Kristi’s publications include over 50 chapters, abstracts, continuing education units and journal articles. She holds professional memberships in the Academy of Nutrition and Dietetics and the American Society for Nutrition.

An Iowa native and long-time Nebraska resident, Kristi received her B.S. degree from the University of Northern Iowa and her masters and doctoral degrees in human nutrition from the University of Nebraska.
